

SMASH AND GRAB WINDOW FILM

Crime is an unfortunate reality and requires measures to safeguard yourself and your loved ones. Smash & Grab instances are among the most common and startling of these acts of crime. To protect yourself and property, LLumar has created a Smash and Grab Tinting Film used by the leaders in vehicle tint installation, available in a variety of shades to suit your privacy needs and aesthetic style.

SAFETY CONSCIOUS WITH SOLAR PROTECTION

PROTECTION FROM HARMFUL UV RAYS

DURABLE, SCRATCH RESISTANT COATING

INCREASED HEAT REJECTION

QUALITY SAFETY PROTECTION

INCREASED GLARE REDUCTION

HIGH SHEEN, LUXURIOUS FINISH

SECURE YOUR LIFESTYLE

DISCRETION WITH A CLEAR VISION

Active privacy for your passengers and valuables while retaining perfect visibility.

YOUR PERSONAL BODYGUARD

Helps protect against shards of broken glass in the event of an accident.

FEWER OPPORTUNITIES FOR THIEVES

Added protection against break-in means greater security for your valuables.

NON-STOP SIGNAL RECEPTION

LLumar® Automotive tinted and nano-ceramic window films do not interfere with mobile phones, radio reception or GPS system.
